Re: Laborers District Council  
Joint Apprenticeship and Training Program (JATC)

On July 6, 1994, the U.S. Department of Labor, Bureau of Apprenticeship and Training (BAT) approved the Laborers' International Union of North America (LIUNA) and the Associated General Contractors of America (AGC) known as Laborers-AGC. The Laborers'-AGC Education and Training Funds' National Apprenticeship Standards for the Construction Craft Laborer is 869.463.580. The O+Net Code is 47-2061.00.

The Laborers' District Council of Philadelphia and Vicinity Joint Apprenticeship and Training Committee Apprenticeship Standards were registered by the Pennsylvania Apprenticeship and Training Council and the Federal Committee on Apprenticeship on January 8, 1998, the Program Registration # PA004970018.

This JATC registered its first Apprenticeship Class in November 2000, and had its first graduating class recorded September 2004. We have graduated apprentices to journeyman status for each of the past five consecutive years. Simpson & Brown INC. has been a union contractor in good standings with the Laborers' District Council.
